Save
the kiwi

Every little bit counts towards creating
a sustainable future for kiwi.

By choosing to not have your room
serviced during your event, the money
saved will provide kiwi chicks a safe
place to sleep and grow.

For every five rooms that are not fully
serviced, we will donate one bed for a
kiwi on behalf of your organisation at
the Save the Kiwi creche in Napier.

DUNEDIN

Lanarch Castle

DUNEDIN

Oamaru

An aerial photograph of St Clair Beach in Dunedin, New Zealand. The image shows a large, rectangular, turquoise-colored outdoor swimming pool with lane markers, situated on a concrete platform overlooking the ocean. Several people are swimming in the pool. To the left of the main pool is a smaller, circular, turquoise-colored pool. The beach area includes a paved walkway, a small building with a brown roof, and a set of stairs leading down to the pool. In the background, the city of Dunedin is visible, with a mix of residential and commercial buildings, and a stone sea wall separating the city from the beach. The ocean is a deep blue-green color with white foam from the waves. The sky is clear and blue. The text "DUNEDIN" is overlaid in white, bold, sans-serif font in the upper left quadrant. The text "St Clair Beach" is overlaid in white, sans-serif font in the lower left quadrant. There are two small icons in the bottom right corner: a white outline of a shopping bag and a circular logo with the letters "My" inside.
